

For Immediate Release

September 2016

Northeast Ohio – TSG Resources, Inc. is proud to be recognized by Employer Resource Council (ERC) as one of Northeast Ohio’s 99 best places to work! The NorthCoast 99 award recognizes organizations for their ability to maintain great workplaces that support the attraction, retention, and motivation of Top Performers.

TSG Resources, Inc. is a management division of The Schroer Group of Companies. This is a family-owned Organization, founded in 1973, and operating 20 **Altercare** nursing care and rehabilitation centers in Ohio and 1 in Michigan, the **Absolute** healthcare division including Pharmacy, Rehabilitation, Billing, Nurse Aide Training, Hospice and Skilled Home Health services, the **Avalon** Foodservice division and **ATS** transportation services and several management Companies. Innovative programming and employee education are a focus in all Companies.

This is the 13th consecutive year that TSG Resources, Inc. has received the award. TSG Resources, Inc. is part of an elite group known as **Legacy Award Winners** who have won the NorthCoast 99 award at least 10 times.

Greg Colaner, President of Altercare of Ohio, reflects, "Our talented team excels at providing quality care and compassion to our patients. As an organization we are committed to driving results and providing competitive advantages that support innovation and growth."

"We're extremely honored to recognize the 2016 NorthCoast 99 winners. These organizations have earned the right to call themselves a great workplace by their dedication to attracting, supporting, retaining, and motivating their Top Performers. ERC developed the NorthCoast 99 program with the hopes of inspiring local leaders to promote the great workplace movement," comments Pat Perry, President of ERC.
