## Trust Altercare Transitional Care of the Western Reserve for your recovery as you progress from hospital to home.

Our center's healing environment offers advanced technology for a superior care experience and amenities for your comfort.

- Accessible Doctor of Physical Medicine and Rehabilitation
- Certified Wound Doctor and Wound Nurse
- 24-hour Nursing Care
- Integrated state-of-the-art technology throughout facility
- Two orthopedic gyms dedicated to meet various levels of functioning
- Advanced rehabilitation techniques
- Plan of care based on individualized health care needs
- Healing environment with private rooms

Patients residing in our transitional care unit experience the privacy and comfort of dedicated therapy, private rooms and restaurant-style dining services. Individuals meeting Altercare's admission criteria for a short-term stay are supported by a focused intensive rehabilitation program with a multidisciplinary team.
